

## Winter Shooting

For the fifth year running we have booked a number of sessions for Indoor Shooting over the Winter months at St Edmunds Church Hall in Roundhay (LS8 1JN) on a Saturday afternoon (1pm-4pm). This year, we have increased the number of sessions from four to ten. Dates booked are as follows.

October 15th and 29th  
November 19th and 26th  
December 10th and 17th  
January 14th and 28th  
February 11th and 25th

We will usually shoot a Portsmouth round (5 dozen arrows at 20 yards). Unfortunately, we cannot promise wind, rain, or mud, but it should still be fun. As with the outdoor summer season, you can work on your 'indoor' handicap over the winter season. On one of the February dates, we will shoot for the Indoor Handicap Trophy, and award the indoor handicap improvers medal. Any questions get in touch with Pete (p.j.hine@leeds.ac.uk). We will continue to offer indoor badges for achievement at the Portsmouth Round. See Pete if you get a score of 300 to 575 in increments of 25, or 580 to 600 (the maximum possible) in increments of 5. These badges cost £2 each.

Shooting will (of course) still continue outdoors throughout the winter. You could join the team shooting 'Clout' (usually Bill, Phil, Brian and Anthony) on a Saturday morning, or the Outdoor/Indoor Portsmouth Longbow team on a Saturday afternoon: weather not a problem to those guys.

Alan continued the fantastic shooting year of the Driffield household (see pages 2, 3, 4 and 7) by winning this year's Chris Wright handicap tournament.

Shooting Recurve for the first time this season, Alan shot an excellent 100 points above his handicap and scooped the top prize by a large margin.

Second placed, as he was for the last two monthly handicaps, reflecting his improvement over this summer, was David King. Third place was last years winner, Matthew Gill.

The full results sheet can be found on page 2. You will see that many people shot a personal best and that Amanda Driffield shot a new Club record for an Albion Round, shooting Barebow. Joan Howarth also reached the 252 score for 40 yards, and was awarded her badge.

## Upcoming Events

- 10th September: Inter-Club Shoot at Bridlington Please email me (p.j.hine@leeds.ac.uk) if you are planning to shoot at Bridlington, with your bow type and whether you are a beginner or experienced archer. Please also tell us if you require a lift and we will try and arrange.
- 24th September: Club Championships Western Round for all adults and Junior Western for Juniors. Prizes for everyone including 1, 2 and 3 in each class, best gold, worst white, most greens, most blues, and other great prizes. Everyone is a winner (well almost). Prizes to be awarded at the Xmas dinner along with Classification badges and certificates.

## Current Standings for Handicap Improver 2011

	Handicap Start 2011	Current Handicap	
Alan Driffield	58	46	<b>-12</b>
Amanda Driffield	64	56	<b>-8</b>
David King	64	56	<b>-8</b>
Eric Jennings	62	59	<b>-3</b>

The improvers medal is awarded at the Xmas Lunch to the archer who has reduced their handicap by the greatest margin over the year (minimum of 8 rounds shot required).

The four archers on the left have shot over 8 rounds and all have improved over the year. Good luck to all for the rest of the season.

Alan and Mandy are obviously having a great season but David and Eric are also shooting well.

## PANDA CRECY TOURNAMENT

*Report by John Bowers*

On a day of more or less continuous heavy showers the turnout for the shoot was surprisingly good. Morale was raised for some by the presence of a burger bar in the car park intended for players in the American soft-ball event that was taking place on the other pitches. The organisers denied rumours that the event was meant to be hard ball but the balls weren't water-proofed.

As well as rain there were the usual high winds. We

kicked off with a magnificent display of the art of simultaneous erection and demolition of a tent by a team led by Kendal Bowmen. Sherry and cake were consumed in the dry but the rain set on in earnest for the shoot itself and by half time everybody and everything was soaked. Thankfully the weather improved

and the final ends were shot in the dry.

Not surprisingly in the conditions the scores were mostly moderate. The exception was Alan and Mandy Driffield who both set new Yorkshire records for Barebow. Apparently nobody had told them that they were supposed to lower their scores in inclement conditions. Something has gone wrong here. Coach please note.

17 visitors out of 22 who had registered took part in the shoot together with 9 Panda members. Lez Court presided as a genial judge and our own Barbara did a superb job as Lady Paramount.

Thanks to all who took part.
